

SUDDEN TURBULENCE

My flight took off at about 5:10pm and the journey was smooth and cool. The aircraft was neat and big and the hostess were fantastic with a high sense of hospitality. When it was just about 30 minutes into the flight, the aircraft suddenly started descending with uncontrollable speed. The sudden life threatening experience made almost all the passengers scream and call all sorts of deity names for help. It was like death had come!

Within a few minutes of this horrible experience, the aircraft stabilized and the soothing voice of the pilot was heard. He told us that it was a sudden turbulence and that we should all relax and continue to enjoy the flight. The air hostesses served refreshments. Lo and behold, I saw passengers enjoying themselves as if nothing had happened.

Dear Reader, the VOICE OF THE PILOT of your life is very critical as well as His verdict. What your neighbours, medical doctors, friends, colleagues and family members say concerning your situation no matter how bad or even good, may be "obvious and real" but that doesn't make it the final say.

"Who has spoken and it came to pass if the Lord has not commanded it?" Lamentations 3:37"

“Who hath believed our report? and to whom is the arm of the LORD revealed?” Isaiah 53:1

Jesus is the Chief Pilot whose assessment is ever accurate. The relations of Lazarus could only see death and hopelessness regarding his situation. However, the Chief Pilot knew what the situation was and called it SLEEP instead of death and an avenue for God to manifest His glory. (John 11:4) Those bones in the valley were very dry and all hope lost but there arose a Great number of Soldiers out of them (Ezekiel 37:10).

Jesus is the Chief Pilot, come unto Him, assure your life in Him and He will come to your rescue. Accept Jesus as

your Lord and Saviour and He will never cast you away. He is willing and ready to help you if only you will come. He will not deceive or lie to you because He is ever true. Our aircraft landed safely at exactly 6:06pm. But more sure is the Chief Pilot of our lives than the pilot of the aircraft I was in that day. **Come to the Chief Pilot and He will surely grant you a SAFE LANDING here on earth and in eternity.**

Are you ready to give your life to Jesus? If yes, pray as follows: ***LORD JESUS, I appreciate you for your sacrifice for my sins. I know I am a sinner and I come to you for the salvation of my soul. Forgive my sins, wash me with the blood of Jesus and write my name in the book of life. I believe you are the Son of God and I confess with my mouth. Thank you Jesus for saving me.***
