PROPHETIC WORD

**“The King will advance before you,
the Lord Himself will lead you”.**

Micah 2:13b

SUNDAY SERMON

"PREACH THE GOSPEL"

Scripture: I Cor. 15:3, Gal. 1:8

The gospel is the foundation of the Christian faith and the message every believer is called to proclaim. It is the good news that Jesus Christ died for our sins, was buried, and rose again on the third day according to the Scriptures. It is God's only provision for the salvation of humanity, and through it sinners receive forgiveness, reconciliation with God, and the hope of eternal life. Since the gospel alone is "the power of God unto salvation", every Christian has the responsibility to share it with others.

Paul strongly warns in Galatians 1:8–9 against preaching any message that distorts or replaces the true gospel. No human philosophy, tradition, prosperity message, or self-help teaching can substitute for the saving work of Christ. The gospel must remain centered on Jesus' death, burial, and resurrection, calling people to repentance and faith. Any teaching that departs from these biblical truths is a counterfeit gospel and must be rejected.

Believers are therefore called to preach the gospel faithfully through their words, their lifestyle, and their witness, relying on the power of the Holy Spirit. Fear, complacency, and the desire for human approval should never prevent us from sharing Christ with a world in need of salvation. As we proclaim the true gospel with love and conviction, lives are transformed, the Church is strengthened, and God is glorified through the salvation of souls. May the Lord strengthen us as we continue to proclaim the gospel in and out of season. Amen.
