Isaiah 66:12

SUNDAY SERMON

"LAME, BUT ON THE HIGH TABLE"

Scripture: 1 Samuel 4:4, 9:1-11

FROM THE PASTOR'S DESK

The power of simply asking God for what we want as His beloved children is simply indescribable. It touches the core of who God is, His view of us, the extent of His love for us, and His thoughts concerning our wellbeing. Paul, speaking to the Romans says "He who did not spare his own Son, but gave him up for us all—how will he not also, along with him, graciously give us all things?" Rom 8:32.

To access the things God has for us, Jesus simply says, Ask, Seek, and Knock, Matt.7:7; suggesting we need to come to the Lord and commune with Him and thereby present to Him our hearts' desires. James says "you do not have because you do not ask..." - James 4:2. The prodigal son was cut off from his father's estate for as long as he was cut off from communion with his father. But when he got reconnected, he could present his request to his father, and though he had erred, the father had mercy on him and granted him more than he had requested for.

This is a glimpse into the power of prayer. Please don't miss another opportunity to join other believers at the 2026 PRAYER SUMMIT, where and when we would be on the Lord's Altar for a quality time to commune with Him, and to passionately present every matter on our hearts for His attention. It is OCTOBER 25th to 27th. Please plan to attend all sessions. It promises to be a significant TURNING POINT in your life and walk with God.
